

YOUNG CARERS FORUM

Would you like the opportunity to have a 'Voice' on behalf of the Young Carers?

Then come and join the Young Carers Forum

A small group of young carers meet once every 3 months to discuss the Young Carers service. This is an opportunity for you to bring your ideas to the table to help develop the Young Carers service in a youth led direction. The chance to offer your thoughts on what you want, or what you think other young carers would like to get out of the service. We look at fundraising, raising awareness in the schools, the website and many other issues. You would be part of a committee, comprising Chairperson, and General Secretary who are elected by the members of the Forum Group. Being part of the Forum is also something to put on your CV as it shows your confidence and willingness to offer your opinions, as well as your commitment in working as part of a team.

Come and join us.
